FOR IMMEDIATE RELEASE:

THE MISSNER GROUP COMPLETES \$1.1 MILLION OFFICE RENOVATION IN SKOKIE

(Des Plaines, Illinois) – The Missner Group is pleased to announce that the firm has completed a 36,396 square foot office renovation on behalf of Generation Brands at 7400 Linder Avenue in Skokie, Illinois.

Generation Brands is a leading lighting and ceiling fan company that serves the electrical wholesale, home improvement, home décor and building industries. The Missner Group was selected by Generation Brands to complete the \$1.1 million remodel to the firm's 7400 Linder Avenue offices. Construction included the addition of private offices, a production area, a large showroom, laboratories, training rooms as well as a video and photo room.

The Missner Group's Kent Nepras was the project manager and Bill Uchyn was the project superintendent. Gensburg Architects provided the architectural services.

About The Missner Group

The Missner Group, headquartered in Des Plaines, Illinois, provides comprehensive and integrated real estate development and construction services throughout the Chicagoland and Midwestern markets. The firm, established in 1945, has completed more than \$1 billion in construction projects, and has orchestrated the development of more than 10 million square feet of commercial and industrial real estate.
