FOR IMMEDIATE RELEASE:

THE MISSNER GROUP COMPLETES NAF NAF GRILL BUILD-OUT PROJECT IN SCHAUMBURG

(Schaumburg, Illinois) – The Missner Group is pleased to announce the firm has completed the build-out of a new Naf Naf Grill location at 1775 E. Golf Road in Schaumburg, Illinois.

The new Middle Eastern restaurant features a high-end kitchen equipped with a walk-in cooler and a bakery to host the restaurant chain’s signature pita oven. Renovations also included a dining room space and restrooms to serve their customers.

The Missner Group reconstructed the new highly customized space with custom framing, roofing, and drywall, upgraded electrical and plumbing systems, as well as added flooring, paint finishes, carpentry and assisted with all FF&E implementation.

The Missner Group was recognized by Naf Naf Grill as a result of their experience and knowledge in the area of food service construction. The firm’s work with many companies in this sector, coupled with their understanding of the food service regulatory agencies, made The Missner Group an easy choice to serve as general contractor for this venture.

This is the second project The Missner Group has completed for Naf Naf Grill, having recently completed an office remodel at their Chicago headquarters. Heath Yarger led the construction efforts as project manager on behalf of the firm with Mike Sneddon serving as project superintendent. Wilkus Architects provided the architectural services and LS Engineers provided the engineering services.

About The Missner Group

The Missner Group, headquartered in Des Plaines, Illinois, provides comprehensive and integrated real estate development, construction and property management services throughout the Chicagoland and Midwestern markets. The firm, established in 1945, has completed more than \$1 billion in construction projects, and has orchestrated the development of more than 10 million square feet of commercial and industrial real estate.
