FOR IMMEDIATE RELEASE:

RON CINKUS JOINS THE MISSNER GROUP AS SENIOR PROJECT MANAGER

(Des Plaines, Illinois) – The Missner Group is pleased to announce that Ron Cinkus has joined the firm as senior project manager. Cinkus is an industry veteran with more than 25 years of experience in project management and construction.

In his new role with The Missner Group, Cinkus will manage some of Missner’s most high-profile projects from pre-construction through post-construction while coordinating the design and construction elements between the client, architect and engineers. He will also serve as project leadership monitoring the progress, budget and quality of various assignments. In addition, Cinkus will be responsible for estimating, scheduling, production, conceptual planning, budgeting and permitting.

“Ron is a vastly experienced project manager with the ability to serve as both a leader and mentor to the construction team,” said Glen Missner, president and principal of The Missner Group. “The diverse project portfolio he has built throughout his career will also enable him to lend expertise and creativity to our projects and clients, which span myriad sectors from office and industrial, to automotive and food production.”

Cinkus was previously a senior project manager for United Insulated Structures Corp. in Berkeley, Illinois. He holds Bachelor of Science degree in Construction Management from the University of Wisconsin-Stout. He currently resides in Geneva, Illinois.

About The Missner Group

The Missner Group, headquartered in Des Plaines, Illinois, provides comprehensive and integrated real estate development and construction services throughout the Chicagoland and Midwestern markets. The firm, established in 1945, has completed more than \$1 billion in construction projects, and has orchestrated the development of more than 10 million square feet of commercial and industrial real estate.
