THE MISSNER GROUP SELECTED FOR REMODEL AND EXPANSION FOR NORTHBROOK TOYOTA

(Des Plaines, Illinois) – The Missner Group is pleased to announce the firm has been selected to complete a 30,000 square foot, two phased renovation and expansion for Northbrook Toyota located at 1530 Frontage Road in Northbrook, Illinois.

Currently underway, Phase I includes an 11,000 square foot remodel of Northbrook Toyota's service area. The Missner Group will gut and remodel the entire building to include new electric, mechanical, and plumbing systems. Scheduled for completion in late summer 2016, the renovated space will feature a new car delivery area, oil change area, expanded service lanes, remodeled service bays, as well as state-of-the-art LED lighting throughout.

Phase II of the project, which will begin in fall 2016, will include the construction of a new building, the renovation of the existing showroom, extensive landscaping, redesigned parking lots, and the addition of functional and aesthetic infrastructure improvements.

Bob Nomellini, chief operating officer for The Missner Group, will lead the project team which includes Marc Duchon as project manager, and as superintendent. Eckenhoff Saunders Architects (ESA) is providing the architectural services.

About The Missner Group

The Missner Group, headquartered in Des Plaines, Illinois, provides comprehensive and integrated real estate development and construction services throughout the Chicagoland and Midwestern markets. The firm, established in 1945, has completed more than \$1 billion in construction projects, and has orchestrated the development of more than 10 million square feet of commercial and industrial real estate.
