FOR IMMEDIATE RELEASE:

THE MISSNER GROUP SELECTED FOR MCGRATH ACURA BUILD-OUT IN WESTMONT

(Des Plaines, Illinois) – The Missner Group is pleased to announce that the firm has been selected to complete a large scale renovation for McGrath Acura of Westmont located at 400 E. Ogden Avenue in Westmont, Illinois. This is the second project The Missner Group will complete for McGrath Acura.

Construction will include the addition of a new 9,100 square foot showroom, featuring glass enclosed offices, a see-through fireplace, coffered ceilings, soffits with light fixtures and extensive floor treatment work. In addition, the space will feature a 26 X 12 foot gable skylight inside the main entrance, a custom fish tank as well as high end finishes throughout. The Missner Group will also remodel the dealership’s delivery area and 4,000 square foot service area, which will all be state-of-the-art. Construction will also include updating the façade, parking lot as well as the landscaping.

“We are excited to complete another project on behalf of McGrath Acura,” said Bob Nomellini, chief operating officer of the firm. “The Missner Group completed the first Acura dealership within the City of Chicago in 2012 and have completed numerous automotive projects throughout the Chicagoland area. We will use our expertise in this industry and our many decades of construction experience to execute yet another successful project on behalf of this reputable dealer.”

Nomellini is the principal overseeing the project. Marc Duchon is the firm’s project manager and Angelo Christopher is the project superintendent. Defilippis + Associates, Inc. is providing the architectural services. Construction is scheduled for completion in summer 2016.

About The Missner Group

The Missner Group, headquartered in Des Plaines, Illinois, provides comprehensive and integrated real estate development and construction services throughout the Chicagoland and Midwestern markets. The firm, established in 1945, has completed more than \$1 billion in construction projects, and has orchestrated the development of more than six million square feet of commercial and industrial real estate.
