## **THE MISSNER GROUP SET TO BEGIN RENOVATION AND REMODEL FOR BERMAN SUBARU IN CHICAGO**

(Des Plaines, Illinois) – The Missner Group was selected as design/build contractor for a major two building renovation on behalf of Berman Subaru located at 4330 and 4444 Irving Park Road in Chicago. Renovations will consist of improvements to both the office and service areas of the dealership.

“We are excited to be working with the Berman family and to begin work on the Subaru project,” said Robert Papineau, senior project manager for The Missner Group leading the construction team on the renovation. “We have completed numerous auto dealership assignments from renovations to ground-up facilities and are cognizant of the need for expediency while maintaining the highest levels of safety and quality. We look forward to delivering the end product on-time and within the budget.”

The project will encompass a total of 40,000 square feet and include 13,000 square feet of extensive office updates and modernizations, as well as significant improvements to the conferencing and showroom spaces. In addition, a 22,000 square foot new, state-of-the-art service area will be constructed. This new space will feature a customer lounge, café, service bays, and the latest in LED lighting. The Missner Group will also install a new HVAC system and new mechanical operations.

Papineau will lead the project on behalf of The Missner Group with Steve Bulger serving as project superintendent. Becker Architects is providing the architectural services. The Subaru project is scheduled for completion in late Fall 2017.
