FOR IMMEDIATE RELEASE:

THE MISSNER GROUP COMPLETES 14,000 SQUARE FEET OF NEW RETAIL IN CHICAGO SUBURBS

(Des Plaines, Illinois) – The Missner Group is pleased to announce that the firm has completed the construction of two retail spaces, comprising 10,000 square feet at 29 E. Orland Square Drive in Orland Park, Illinois, as well as a 4,000 square foot Mattress Firm location at 1044 S. Route 59 in Naperville, Illinois. The Missner Group was selected by San Francisco-based developer, United Growth.

The first project is located in Orland Park, a southwest suburb of Chicago. The two new retail properties are situated in an outlot of Orland Square Mall. The Missner Group demolished two existing buildings and constructed the exterior shells for a Mattress Firm location as well as a space to be occupied by a new restaurant, State & Main. The Missner Group also completed the landscaping, utilities and parking area for the property. Bob Nomellini led the construction team on behalf of The Missner Group which included Marc Duchon as project manager and Bill Uchyn as project superintendent. Ireland Architects provided the architectural services.

“We are pleased to have completed this highly visible retail project on behalf of United Growth,” said Chief Operating Officer Nomellini. “Over the years, we’ve completed numerous ground-up retail facilities throughout the area. Our experience and dedication to this project enabled us to provide the highest quality of construction for our client.”

The Missner Group also demolished an existing building in Naperville, at the intersection of Route 59 and Ogden Avenue, to construct another new free-standing shell for Mattress Firm. The single-story masonry structure features multi-layered exterior wall systems (EFIS) and numerous display windows. The Missner Group also constructed a new parking lot for the facility as well as completed extensive landscaping and utilities. Nomellini led the construction team, which included Kent Nepras as project manager and Bill Uchyn as project superintendent. Oliveri Architects provided the architectural services.
